APPENDIX D

HISTORICAL AERIAL PHOTOS

Historic aerials of the subject levee segments were obtained from the New Orleans Public Library. Copies were made and are provided in this appendix. Each aerial contains the fly-over date in the upper left corner and a unique identification number in the upper right hand corner. By laying the aerials in the following order of unique identification number, the entire subject length of levee can be viewed.

Date of aerials: 1946

West End of Lakefront — Inner Harbor Navigation Canal
