

US Army Corps
of Engineers®

IER 22 – Government Furnished Borrow Material, Multiple Parishes

IER Duration: November 2007 to April 2008

IER 23 – Pre-Approved Contractor Furnished Borrow Material, Multiple Parishes

IER Duration: November 2007 to March 2008

Additional Borrow IERs will be completed as needed as borrow sites are identified. This will be an ongoing effort through 2010.

Grouping of individual borrow sites into IERs will be determined as sites are identified. Construction award and duration is tied to the individual construction contract where the borrow material will be used.

Please visit http://www.mvn.usace.army.mil/hps/borrow_pits_home.htm for more information about Borrow Team activity.

One Team: Relevant, Ready, Responsive, Reliable
