Reducing Risk in Southeast Louisiana

The U.S. Army Corps of Engineers, New Orleans District, is continuing its series of public meetings to discuss environmental compliance efforts, as discussed in Individual Environmental Reports (IER) and project updates on the proposed 100-year Hurricane Storm Damage and Risk Reduction System in the New Orleans metropolitan area.

Meeting Schedule

Open House: 6:00 p.m. – 7:00 p.m.*

Presentation and Discussion: 7:00 p.m. – 9:00 p.m.

Feb. 7, 2008, Church at New Orleans, 11700 Chef Menteur Hwy, New Orleans

Meeting will provide an overview of Individual Environmental Report covering the Inner Harbor Navigation Canal (IER 11) and the areas from which potential borrow materials may be obtained (IERs 18, 19, 22, 23, and 24). A Vietnamese translator will be available before and after the project presentation.
