Corps hosts meeting on risk reduction projects in Kenner

NEW ORLEANS, LA – The U.S. Army Corps of Engineers, New Orleans District, will host a public meeting on Thursday, Jan. 28, 2010 to provide an update on the status of the ongoing and upcoming hurricane system construction in Kenner. The West Return Floodwall project area extends from the Louis Armstrong New Orleans International Airport, north along the current West Return Floodwall, and connects to the Jefferson Parish Lakefront. The meeting will also include a discussion of construction underway along the Jefferson Parish Lakefront levee and the unsuitable material found between the Duncan Pump Station and Williams Blvd.

When: Thursday, Jan. 28, 2010
Open House from 6 to 6:30 p.m.
Presentation begins at 6:30 p.m. and is followed by a discussion

Where: Kenner City Park Pavilion
3800 Loyola Dr.
Kenner, LA 70065

Questions or comments concerning projects should be addressed to:
U.S. Army Corps of Engineers
Public Affairs
